Guaranteed Interview Scheme

“We are committed to Equal Opportunities and actively encourage applications from disabled people”

What does the scheme offer?

The aim of the Guaranteed Interview Scheme (GIS) is to provide disabled applicants with the opportunity to demonstrate their abilities beyond the initial application stage. Disabled applicants will be offered an interview providing they meet the minimum criteria for the job. **Declaring a disability for the purpose of qualifying for the GIS is your decision and is entirely voluntary.**

Who is eligible for the scheme?

To be eligible for the Guaranteed Interview Scheme you must be considered as disabled under the Disability Discrimination Act 1995. This means you must have, or have had in the past, a physical or mental impairment which has had a substantial long-term adverse effect on your ability to carry out normal day to day activities. This includes sensory impairments, people who have had a disability in the past even though they are no longer disabled, people whose disability is likely to last for twelve months or rest of their life, and people whose condition is likely to progress or recur. Severe disfigurement is also acknowledged as a disability. You do not have to be registered as a disabled person to apply under this scheme.

If you want to apply for the Guaranteed Interview Scheme, please indicate here: Yes No
